Austin and Bantam vehicle information

(Please print the year, make and body style information exactly as you want it to appear in the AABC Membership Roster. Engine, body and frame numbers will NOT appear in the Roster. American Austin and Bantam engine numbers are stamped into the crank case above the starter motor. Body numbers are stamped on a metal plate located on the cowl, above the fuel tank, under the hood. American Austin frame numbers are stamped on the driver's side frame rail below the oil filler tube, behind the front frame rivet. More space is available on the back of this form. Ownership of an Austin or Bantam vehicle is not a requirement for membership.)

Year	Make	Body style	Engine number	Body number	Frame number	Is the vehicle roadworthy?
						<input type="radio"/> Yes <input type="radio"/> No
